

Approved Bear Resistant Garbage Enclosures

Inclusion in this list assumes that the enclosure will be installed in accordance with the requirements of other regulatory agencies, such as those of Placer County Department of Public Works and the Tahoe Regional Planning Agency. It is further understood that any enclosure may be removed from the list if found to be inadequate.

This list of vendors is being provided per Placer County Code (PCC) Section 8.16.010. Per PCC Sections 8.16.265 through 8.16.268, Bear Resistant Garbage Enclosures are required to be properly installed and operated to prevent animal access. Inadequate enclosures and/or failure to operate Bear Resistant Garbage Enclosures correctly may result in the requirement to install additional bear resistant enclosures on the property, obtain a dumpster with auto-locking lids, and/or be ordered to increase frequency of service to meet garbage storage needs.
